Computer Based Testing (CBT)

Effective January 2010, Computer Based Testing will be implemented for all BOMI International examinations (except *Ethics is Good Business® ShortCourse™*). BOMI International has selected Pearson VUE to provide computer-based testing services to ensure that its students and graduates will continue to be the most valuable professionals in their field.

- \$60.00 has been included in the class cost for testing
- The testing fee provides for one testing session during the eligibility period
- Students have a six-month eligibility period to schedule and take their exam
- To schedule a test appointment through Pearson VUE, call 866-998-2664 or go to www.pearsonvue.com/bomi/

****Course Approved by USGBC**

Environmental Health & Safety Issues has been approved by the US Green Building Council for Continuing Education hours to maintain the Leadership in Energy & Environmental Design (LEED) professional accreditation.
